**The ABACE2007 Static Display of Aircraft will be located on Hong Kong Business Aviation Centre.**

**ALLOCATION OF SPACE**

Priority for selection of Static Display Spaces will be established by lottery. While this will be separate from the drawing for indoor Exhibit Space, Exhibitors wishing to have aircraft on Static Display should return this reservation request form to ABACE. Only those Exhibitors who have returned the request form by the deadline of August 16, 2006, are eligible for the Static Display lottery. Applications received after this date will be reviewed on a space-available basis.

**FEES:** Cost of space is \$625 for each 6m by 6m (19.7' by 19.7') Static Display Space, **payable in one payment.** All payments must be made by August 16, 2006.

The cost per space is payable to ABACE with no billing coming from the airport. **ABACE has a policy of no refunds for cancellations or downsizing at any time.** Ancillary charges to support the Static Display Exhibits will be billed directly by the vendors providing those services. Detailed information will be mailed at a later date along with notification of your priority status for selecting space.

For the safe and efficient placement of equipment into the Static Display, **all aircraft must arrive by 12:00 noon Saturday, February 4, 2007.** In the interest of safety, ABACE reserves the right to deny placement of aircraft not arriving by the required deadline. Aircraft on display **are not permitted to leave before Show closing on Tuesday, February 7, 2007.**

**IMPORTANT:** If Static Display Space is not occupied by 12:00 noon, Saturday, February 4, it will be considered canceled by the Exhibitor. At that time, ABACE Management shall use space as deemed appropriate. This rule must be strictly enforced. Due to the size of the ABACE2007 Static Display, the lateness of setting up and moving aircraft causes difficulties with other Exhibitors and jeopardizes the opening of the Exhibits.

In signing this Application/Contract, Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend and hold ABACE Management, Hong Kong Business Aviation Centre and Freeman, and their respective officers, employees, Members and agents harmless from and against any and all claims, losses, injuries and damages to persons or property, governmental charges or fines and attorney's fees arising out of or caused by Exhibitor's installation, removal, maintenance, occupancy or use of the Exhibition premises, or any part thereof, or arising out of or caused by Exhibitor's participation in exhibition activities. Furthermore, the Exhibitor agrees to abide by the Rules & Regulations for the Conference and Exhibition as set forth by ABACE Management (in its own interpretation) throughout the ABACE2007 Exhibitor Prospectus. Exhibitors violating the ABACE2007 Static Display of Aircraft Rules & Regulations will be ineligible for future Static Display lotteries.
